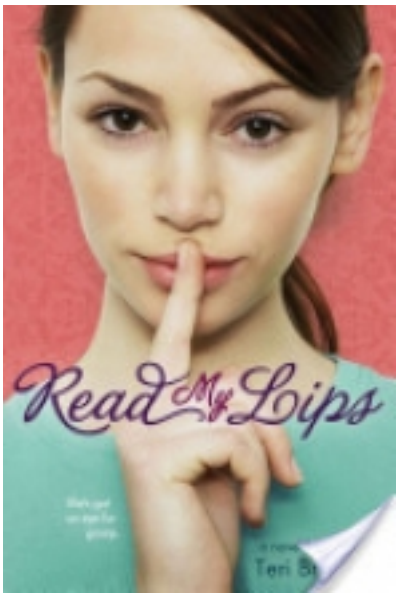
Read My Lips



Popularity is as easy as a good secret.

Serena just wants to fly under the radar at her new school. But Serena is deaf, and she can read lips really well-even across the busy cafeteria. So when the popular girls discover her talent, there's no turning back.

From skater chick to cookie-cutter prep, Serena's identity has done a 180...almost. She still wants to date Miller, the school rebel, and she's not ready to trade her hoodies for pink tees just yet. But she is rising through the ranks in the school's most exclusive clique.

With each new secret she uncovers, Serena feels pressure to find out more. Reading lips has always been her greatest talent, but now Serena just feels like a gigantic snoop...
