Welcome to the Bringing the Stage to Life - NASHVILLE Conference! This event is completely unique and cannot be compared to any short or long term performance interpreting conference. BSL Nashville focuses on preparing attendees to use performance interpreting skills for professional and local events. Because BSL Nashville is located here in Music City U.S.A. we have a unique opportunity to access a wide variety of musical styles and settings ranging from dinner theaters, to national shows, to local Honky Tonks, one time big named concerts, to the famous Grand Ole Opry stage. This event will prepare interpreters to provide top quality, visually stimulating, musical interpretations, the kind which most Deaf consumers crave.

This conference will earn you **3.5 PS CEUs**.
