If your ears ring, buzz, chirp, hiss or roar, you know just how annoying tinnitus can be. You do not have to put up with this racket for the rest of your life. Recent studies show that a lot of what we thought we knew about tinnitus is not true at all. Exciting new research reveals what you can do to

eliminate or greatly reduce the severity of your tinnitus. In this book you will learn what causes tinnitus in the first place and the steps you can take to bring it under control.
