This DVD will assist interpreters who are seeking to interpret effectively in educational settings. The format is presented so that interpreters can practice interpretation skills from “spoken English (teacher discourse) to sign language (for students)” and from “sign language (student discourse) to

spoken English."

DVD contains the following:

- Students who are deaf or hard of hearing relating stories about their lives in sign language
- A voiced interpretation of the student signer
- A CD that has a PDF file that contains a complete transcript of the voiced interpretation
