HEARING LOSS IN MUSICIANS

PREVENTION AND MANAGEMENT

MARSHALL CHASIN

Title

[Hearing Loss in Musicians: Prevention and Management](https://tndeaflibrary.nashville.gov/library/materials/hearing-loss-in-musicians-prevention-and-management)
 [\(https://tndeaflibrary.nashville.gov/library/materials/hearing-loss-in-musicians-prevention-and-management\)](https://tndeaflibrary.nashville.gov/library/materials/hearing-loss-in-musicians-prevention-and-management)

The editor and contributors are all experts in their relative fields and work daily with professionals in the performing arts who are endangered by exposure to high-volume sound. Here they clearly present some of the anatomy and physiology of the hearing mechanism; medical problems associated with exposure to long-term, high volume sounds in the musical environment; and, in the bulk of the book, hearing protection and practical advice on preventive measures.

Author

Marshall Chasin, editor

Imprint

San Diego, CA: Plural Publishing, Inc., 2008
