I Can Count to Ten in ASL, English and Spanish! Puedo contar hasta diez en ASL, Inglés y Español! is a dynamic educational book to assist children to learn their numbers to ten. Designed to help children who are hearing or deaf learn to count by using a trilingual approach that takes into account child development principles. Each number is presented with the numeral, the word for the number printed in English and Spanish and a photograph of the number in American Sign Language (ASL). The directions are also written in English and Spanish to help guide the child.
