Set in Scotland, this fourth installment in the series provides readers with an exciting adventure from the present day to the past. As the family gets ready for a wedding and the investiture of a new laird, fingers are crossed that the spirit of Sir Malcolm does not interrupt. Join Kateri, Lady Victoria, Leigh Ann and Dawn, four pre-teen deaf and hard of hearing cousins and blood relations of Sir Malcolm, as

they share their adventure of investigating hauntings, lake monsters and a knight who needs help in this otherworldly episode. *Spirits Among the Ruins* is a great story for middle and high school students.
