Sign With Me is an instructional sign language series for hearing parents of deaf children age birth to three. Volume 2, Building Concepts is designed to improve your signing and parenting skills and stimulate your deaf child's language acquisition. You will also learn how to use signs to describe feelings and experiences as well as objects, teach concepts like wet and dry during your child's daily routines such as bath time, and use questions words to encourage your child's curiosity. Included are two DVDs containing eight lessons, each with five activities or games family members can use with your deaf child and two DVDs with open-captioned versions of these activities. An accompanying workbook is available and is recommended.
