The conference will include award presentations, exciting workshops, exhibits featuring state-of-the-art technology for everyone's telecommunication needs, and unique networking opportunities. Don't

forget to book your hotel room at Hyatt; TDI has been able to secure a generous discount price of $149 per night for a room there. If you'd like more information on that, visit this page. This will be the 21st Biennial TDI Conference held during the 47 years since TDI's establishment in 1968. The Conference Planning Committee, chaired by Claude Stout, TDI Executive Director, is working hard to make this Conference a huge success. Baltimore is the largest city in Maryland with over 600,000 in population. It is located in the central area of the state along the Chesapeake Bay. It is home to the John Hopkins University,and also to the Baltimore Orioles. Areas of interest include the National Aquarium, Fort McHenry, Oriole Park at Camden Yards, B&O Railroad Museum, American Visionary Art Museum, and more. Taking a cruise on the Chesapeake Bay during sunset is certainly not an experience to be missed! You will enjoy it and be glad you came. And that's a promise!
