Organization Description

The National Association of Interpreters in Education promotes best practices and professional standards to ensure equitable access to education for deaf, hard of hearing, and deafblind students.

Goals

- Identify and promote standards of practice within the field of educational interpreting.
- Provide continuing education and professional skill development opportunities to enhance the quality of educational interpreting.
- Advocate and support collaboration between members, stakeholders, and other professional groups that work directly and indirectly with deaf, hard of hearing, and deafblind students to ensure collective action.
- Advise stakeholders on appropriate administration of educational interpreting services including specialized qualifications (e.g. deafblind students).
- Educate the public about the contributions of the educational interpreting profession.
