Family Members of Babies Who Are Deaf or Hard of Hearing

### Event Date

Sun, Mar 10 2019, 12am CST - 3 days

Hands & Voices Family Leadership in Language and Learning (FL3)'s goal is to ensure that EHDI programs, supported by federal funding in the United States, use research-based concepts known to support families, parents, and caregivers of deaf or hard of hearing infants, toddlers, and young children identified through newborn hearing screening. We want what you want: for "our children" to reach optimal language, literacy, and social-emotional development.
