Welcome to the Bringing the Stage to Life - NASHVILLE Workshop! This event is completely unique and cannot be compared to any short or long term Performance Interpreting conference. BSL Nashville focuses on preparing attendees to use Performance Interpreting skills for professional and local events. Because BSL Nashville is located here in Music City U.S.A. we have a unique opportunity to access a wide variety of musical styles and settings ranging from dinner theatres, to national shows, to local Honky Tonks, one time big named concerts, to the famous Grand Ole Opry stage. This event will prepare interpreters to provide top quality, visually stimulating, musical interpretations, the kind which most Deaf consumers crave. We do it all in an environment filled with love, kindness, support, and honesty. This workshop is perfect for interpreters and interpreting students who want to grow towards greatness, who want to change, and who desperately want to be a part of an extended family. Does that sound like you? If so, take a moment to look around this website and find out more about BSL Nashville! Hope you can join us!
