Organization Description

Formerly known as VSA TN, Borderless Arts Tennessee is a statewide organization committed to inclusive and accessible arts programs for people with disabilities to enhance educational curriculum, enrich creative expression, empower career development, and encourage community engagement. Deaf and hard of hearing participants and artists are encouraged to get involved. Programming is made accessible. Borderless Arts Tennessee, formerly VSA Tennessee, established in 2001, is part of an important history of equality and opportunity in the arts. In partnership with and in support of artists, parents/guardians and educators, we work to ensure there are resources, tools and opportunities for arts programming in schools and communities statewide. From music and theater to visual arts and dance, we strive to open the wide-ranging world of the arts to Tennessee. Whether the art you love comes on a canvas, in a script, through a melody or on the stage, we have opportunities throughout the year. Stay in touch by signing up for our weekly online newsletter or check out through Facebook and Twitter. We want to hear from you, experience your artistic talents and share in your dreams and ideas. Make the connection today!
