Organization Description

Bridges for the Deaf and Hard of Hearing is nonprofit organization serving Middle Tennessee, northern Alabama, and southern Kentucky. In 2019, we expanded to open offices in Memphis, TN, now serving Shelby County and surrounding counties in West Tennessee; and in 2023 the Tri-Cities area and surrounding counties in East Tennessee! We serve individuals and families in these areas who live with hearing loss, providing education, outreach, case management, interpreting services, educational interpreter training, and more--always striving for a vibrant community of equality, access, opportunity, and self realization, a community in which all are welcomed and valued.
