

NAD-RID National Interpreter Certification Interview & Performance Practice DVD

This valuable DVD features a practice exam that provides interview and performance vignettes that are representative of the current exam format. The practice DVD also allows NIC candidates another layer of preparation in applying practical analytical and critical thinking skills so the NIC candidate can enter the testing site with a greater sense of comfort and knowledge of the exam flow and timing. The 2nd edition of the NAD-RID NIC Practice DVD gives candidates the opportunity to gauge their progress, put skills into practice, and prepare for exam day.
