

American Sign Language

This set of materials is geared towards the beginner signer introducing them to American Sign Language through the alphabet, numbers, and important conversational words and phrases. The book introduces several topics and the signs associated with those topics. These signs are demonstrated on the DVD and are also on the accompanying flashcards.

Topics covered:

- Getting Started
- Signing Savvy
- Fingerspelling
- Meet and Greet
- All Kinds of Folk
- Going Places
- Room and Board
- The Big Outdoors
- Actions Sign Louder than Words
- Color Your World
- It's About Time
- Counting On It
