

Communication Rules for Hard of Hearing People

Presents helpful rules for hard of hearing and hearing people to follow to improve communication with one another. A series of brief interactions is shown twice. In the first scene, someone is doing something wrong. After the scene is completed, stop the videotape, identify what was wrong, and discuss how you would correct the situation. Start the tape again to see how the producers corrected the mistake.

Author: producer, Samuel Trychin ; director, Sandy Maley

Imprint: [Washington, D.C.] : Gallaudet University, 2013, 1986
