### Description Of Services:

Southern Deaf Fellowship was organized as the first Deaf Church of Seventh-day Adventist on April 9, 2005. Deaf Pastor Jeff Jordan was called to start a Deaf church in the Atlanta area in 1997. The needs have changed to reach more Deaf members who are isolated across the Southern Union: North Carolina, South Carolina, Tennessee, Kentucky, Alabama, Mississippi, Florida, and Georgia. The idea of an internet based ministry was developed out of this need to reach the many Deaf who desire to receive God's word in their native language, American Sign language. The website will implement current use of technology to meet the changing needs of our church area wide. Currently you may watch sermons in ASL. In the future we envision more interactive parts to the website. So, check back often to view what changes have been made. You are invited to come and grow with us as we continue this journey together on-line! If you are planning to travel near or live close to the Chattanooga area, you are invited to worship with us on the campus of the McDonald Road SDA Church. We meet at 10:00 am for Sabbath School and worship service at 11:30 am every Saturday morning.
