In the great green room, there was a telephone, and a red balloon, and a picture of the cow jumping over the moon. Everybody's favorite bedtime book is magically transformed into an imaginative, unforgettable theatrical experience, live, on NCT's stage. It's a sparkling, wonder-filled musical that elaborates on the original with style and wit, yet remains true to the simple, loving heart of this beloved book. You'll find a hundred delightful surprises on the way to getting exactly what you expect!

Good night comb and good night brush  
Goodnight nobody  
Goodnight mush  
Goodnight to the old lady whispering "hush."

Theatrical sign-interpretation is provided through a partnership with Gate Communications.
