DESCRIPTION

Eva Schloss, Anne Frank's childhood friend and step sister, will share the unimaginable experience of living through the fear and panic which was the Holocaust. This is a special opportunity to hear a first-hand account from someone whose life intersected with one of the most compelling figures in our history. As time passes, there will be fewer opportunities to hear from actual Holocaust survivors and one day, there won't be any. Please don't let the chance to hear Eva's inspiring message of peace slip by.

For more than 30 years, Eva Schloss has devoted herself to holocaust education and global peace. She has recounted her wartime experiences in more than one thousand speaking engagements and has written 2 books.

A special VIP experience is available along with reserved and general admission seating and discount tickets for students, seniors and the military.

We are pleased this event will be presented with word for word, real time captioning.

A limited number of autographed books, "Eva's Story" is available on the check out page.

Tickets are \$25 - \$150 and available through the website below.
