Description Of Services:

June 24-27, 9-2; June 28, 9-11:30. LOCATION: ETSU's Johnson City campus. GOAL: This is a camp for children with hearing loss. Themed learning activities will focus on enhancing communication and social interaction skills using art, music, literacy, theater, and outdoor play. This week will be an opportunity for children to connect and interact together with other children in the area who might be communicating and/or listening in similar ways with similar types of hearing technology. For more information regarding the camp, half-day options, and/or financial assistance, please contact us.
