**Web Address:** [http://www.aslasl.com/class\\_information/community\\_asl](http://www.aslasl.com/class_information/community_asl) [6]

### Description Of Services:

Community ASL strives to create a STRESS FREE learning environment with whimsical sentences to ensure you laugh and learn throughout the course. There is almost a Dr. Seuss approach to learning ASL vocabulary as you build silly but helpful sentences with the signs you learn.

The class meets once a week for one hour for an 8-week session.
