Description Of Services:

On campus student organization SLK is the official sign language club of Maryville college. Students get together for events such as skill workshops, silent dinners, group travel to public Deaf events, game and movie nights, and more. We focus on providing a support system to our ASL and AEI students as they learn ASL by offering help with homework and group study opportunities.

Come join us!

Events are posted on our Facebook page and emailed to our subscribers.

Anyone wanting to practice ASL may join our events. Off campus events are open to all ASL students and the Deaf community, not just Maryville College students. Contact us for more information.
