An announcement from Casey Johnson-Pasqua, Coordinator of Trivia Cup:

We wanted to spread the word for an exciting event coming up very soon! We have been conducting the Trivia Cup competition for middle and high schoolers. However, we do have one final special Trivia Cup event just for elementary students! The theme for this special event will be animals! Students will have the chance to win free Gallaudet swag! The event will take place on November 17th at 7 pm EST.

Please get the word out to any interested elementary students who love trivia, who love animals, or who love animal trivia!

Elementary students can register here:

<https://apply.gallaudet.edu/register/TriviaCupElem> [1]. We will be accepting applications until this Friday, November 13th! If you have any questions or concerns, please contact me at casey.johnson-pasqua@gallaudet.edu [2].
