

## **Black Deaf Lives Matter: A fun coloring & activity book about Black Deaf life, history, culture & sign languages**

This educational activity book includes the following positive self-image activities: examples of Black Deaf role models and historical events, coloring pages, a social justice word search, an introduction to Black American Sign Language, American Sign Language flashcards and so much more. This book was designed to be a fun educational tool for people 9-years-old and up. It is ideal for supplementing classroom curriculums, after school fun, and independent learning or family fun time.
