Description Of Services:

A Center for Independent Living providing information and referral, peer support, advocacy, skills training, transition services, employment readiness, benefits counseling, ADA consultations, and Braille transcription to people with disabilities.

Independent living is not just a program offered by Empower Tennessee. It is a way of looking at disability and society, and a worldwide movement of people with disabilities working for self-determination, self-respect and equal opportunities. We operate according to a strict philosophy of consumer control, wherein people with all types of disabilities directly govern and staff the organization.

Empower Tennessee (EIN: 62-1585996) is a 501(c)(3) nonprofit organization. Your contribution is tax-deductible to the extent allowed by law. No goods or services are provided to you in exchange for your generous financial donation.
