Hours: 8:00a.m.-5:00p.m. M-F
Contact Person: Vickie Barnes, Program Director

Description Of Services:

The Pediatric Language Clinic (PLC) is a family-focused early intervention program for children birth to three years of age who are in need of intensive services due to significant social/communication/behavior delays and/or Autism Spectrum Disorder. The developmental program is funded by the State of Tennessee's Department of Education as an Early Intervention Resource Agency (EIRA) at no cost to the families. A child, however, must meet eligibility criteria for the Tennessee Early Intervention System (TEIS) and receive services through TEIS in order to qualify for the program.

Authorization Signature: Vickie Barnes
