Description Of Services:

Vocational Rehabilitation (VR) is a federal and state-funded program providing services to help individuals with disabilities enter or return to employment. It is designed to assist individuals of work age with physical and/or mental disabilities compete successfully with others in earning a livelihood. The VR program offers numerous services to eligible clients. An individual with a disability may apply directly to Vocational Rehabilitation or may be referred by another individual or agency. A referral may be made by contacting a Vocational Rehabilitation office in person, by US postal, or by telephone. Please check listings in each area of the state for appropriate contact persons.
