

# TRUNK OR TREAT

Join Us for BridgesWEST's

## Silent Trunk or Treat

Friday, October 23, 2020 | 5:00 p.m. to 7:00 p.m.

City of Memphis Department of Youth Services

315 S. Hollywood Street

Trunk-or-Treat is open to ALL CHILDREN in costume!

Please note: Parents must accompany their kiddos as they enjoy this fun, completely language-accessible community event.

Hearing children will be shown how to sign Halloween vocabulary.

Adults are invited to bring their vehicles— decorated with fun and cool Halloween decorations— and hand out candy to our Trunk-or-Treaters!

It's even more fun if you're in costume too!

### COVID-19 Safety Rules:

- Everyone must stay outside the entire time.
- Families must stay together and stay six feet or more apart from other families.
- Masks must worn the entire time (not just Halloween masks).
- No contact for candy. Cars or tables need to have a place where individual candy bags are provided and set out one or two at a time—no candy bowls kids reach in, no adults handing candy directly to kids, no contact.
- Everyone must take their temperature and uses hand sanitizer before arrival at Bridges. Anyone who feels even slightly sick must stay home.

For more information, please contact Brenda Cash:
