

Bridges for the Deaf and Hard of Hearing

COVID-19 CONVERSATION

with Dr. Keipp Talbot, MD, MPH

What You Need to Know about COVID-9 and the New Vaccines: a Conversation for our D/deaf, Deaf-Blind, and Hard of Hearing Communities

Dr. Keipp Talbot is an Associate Professor of Medicine in the Division of Infectious Diseases at Vanderbilt University Medical Center. Dr. Talbot is a member of the Centers for Disease Control's (CDC's) Advisory Committee on Immunization Practices and a member of that committee's COVID-19 Work Group. Talbot also performs COVID-19 and influenza surveillance for the Centers for Disease Control and Prevention.

Tuesday, February 2, 2021

5:30pm to 6:30pm CST, via Zoom
