

“My hearing was restored with a cochlear implant!”

Learn how cochlear implants are covered by Medicare, most insurance plans, and may be covered by Medicaid.

Struggling with your hearing aids? Cochlear implants may be able to activate your hearing and your life!

If you have severe to profound hearing loss, a cochlear implant may be able to help. Unlike a hearing aid that amplifies sound, a cochlear implant is an implantable hearing solution that delivers sound straight to your auditory nerve.
