

Hearing Loss and Your Child

A workshop for parents, family and caretakers of children identified with hearing loss

SATURDAY, MAY 13 | 9:00-11:30 AM | FREE OF CHARGE

Taught by audiologists, physicians, speech-language pathologists, teachers of the deaf, and a special parent panel.

LEARN ABOUT:

- Hearing loss in children
- Language development in children with hearing loss
- Emotional needs of family and children when someone has a hearing loss
- How to teach others, like daycare providers, about your child's hearing loss

To register, email Kate Carney at kate.carney@vanderbilt.edu with the names of the attendees (including children) and the ages of any children who will need child care.
