The mission of the Bionic Ear Association (BEA) is to improve the quality of life of individuals with severe-to-profound hearing loss by providing valuable information, education, awareness, and guidance on cochlear implants. The BEA wants you to Hear and Be Heard.

The BEA

- Connects you to knowledgeable AB cochlear implant recipients.
- Offers one-on-one support throughout your journey to hearing.
- Hosts events where you can make new friends, learn about cochlear implants, get updates on new technology, and share your experiences.
