A Day at Teen Camp

What is a day at Camp SummerSign like?

This immersive camp experience helps students, regardless of their hearing ability, improve their communications skills through learning ASL, problem solving, and team building while having tons of fun!

CSS Teen is uniquely designed to take students age 14 to High School Graduate into the community. They will work on CuiZvate's farm weekly, stock at places such as Graceworks, be trained by Deaf men and women small business owners, and learn Gospel 5, a unique way to share the Gospel with Deaf people. Campers will earn CSS bucks through trainings and community works for events and outings such as trips to Sonic or Starbucks. They will build deeper friendships throughout the week and enjoy field trips each Friday with all CSS campers.
