## TODB WORKSHOP FLYER

**What:** One-On-One Technology Presentation and Training

**WHO:** VFO – Mike Self and Douglas Gerry, Presenters

**Where:** Bridges Class Room  
935 Edgehill Avenue  
Nashville, TN 37203

**When:** July 27, 2017, 10:00am till 12:00pm

**Purpose:** To provide one-on-one training on your current equipment or training on new equipment you may have received, and bring you up to date on new equipment available. Bring any equipment that you currently have that you want to have training on. Featured products will be the new EL Braille, the new ZoomText Fusion, and a couple of new items that will be announced in early July.

**RSVP:** Please make your reservation for this workshop. You will need to send your RSVP by email to [jc.forbes@comcast.net](mailto:jc.forbes@comcast.net). It is important that you bring your own SSP and indicate if you need interpreting service by July 17, 2017 along with your reservation.

**COST:** Free.
