

Northeast Chapter
Tennessee Registry of Interpreters for the Deaf
Presents

How We Tick: Personality and Professional Communication in the ASL Interpreting World

September 8-9, 2017

Friday 6:00-9:00 PM *and* Saturday 9:00 AM-5 PM

Professional Studies CEUs 1.0

Must attend both days, NO partial CEUs will be given.

What makes us tick?

We will use the Myers Briggs Type Indicator (MBTI) framework to walk through various areas of interpreting including mentoring, teaming and Demand Control Schema.

Join us as we journey into our personalities, the personalities of others and learn how who we are as interpreters and interpreting students affect what we do in our jobs
