Door Prizes – Every two hours or three hours during the Deaf Tennessean Expo, we will draw for attendee door prizes. This will have two effects: it will keep the attendees in the hall longer since they must be present to win and it will give added promotion to the prize contributors. Each time a door prize announcement is made, the company name and booth location of the contributor will be announced along with a short description of the contributor's service. Prizes can be either physical prizes or discount coupons for your services. Please let us know what you would like to contribute as a door prize by emailing to Jimmy Smith at DeafTennExpo@gmail.com and take advantage of this great opportunity!
