Dear Tennessee Residents,

Hamilton Relay, the contracted service provider of Tennessee, is seeking your assistance in identifying candidates for the **Hamilton Relay 2016 Better Hearing and Speech Month Recognition Award**.

We are looking for individuals who are hard of hearing, late-deafened or have difficulty speaking and who have been a positive influence in Tennessee by demonstrating commitment to volunteerism, leadership, advocacy and enhancing the lives of those around them. The award will be presented around Better Hearing and Speech Month in May.

**Is there someone you wish to nominate for 2016?**

Hamilton Relay Better Hearing and Speech Month Recognition Award Recipients from previous years include:

Betty Proctor, Chattanooga  
Nancy Yater, Nashville

A questionnaire is attached to assist in providing information about your candidate, including a brief description about the individual and what this person has done that causes you to nominate him/her. Please send your nominations directly to me **by April 1<sup>st</sup>** via e-mail or by mail. My contact information is included under my signature below.

Celebrating community leaders during Better Hearing and Speech Month in May is something we look forward to each year. Thank you in advance for your participation in nominating deserving individuals from your community.

Sincerely,
