

# Early Childhood Support Services

Tennessee Disability Pathfinder, South Central Tennessee Regional Council on Children & Youth, and Maury County Public Health Department

## Community Education Series

What community resources are available for children with disabilities and their families?

Please join us for an informative training to learn more about the following services available through the presenting agencies:

- Educational learning program for children with disabilities ages birth to 3
- A statewide clearinghouse of disability-related information
- Information and support for children who are deaf-blind
- Healthcare coverage for children with physical disabilities
- Family-to-family healthcare navigation support
