

The mission of the Bionic Ear Association (BEA) is to improve the quality of life of individuals with significant hearing loss by providing valuable information, education, awareness, and guidance on cochlear implants. The BEA wants you to **Hear and Be Heard**<sup>TM</sup>.

#### The BEA:

- Connects you to knowledgeable AB cochlear implant recipients.
- Offers one-on-one support throughout your journey to hearing.
- Hosts events where you can make new friends, learn about cochlear implants, get updates on new technology, and share your experiences.
