The 2015 Tennessee School for the Deaf Family Learning Weekend is scheduled for May 29 – 31. Our administration and staff are looking forward to meeting new families and catching up with regular attendees.

Registration for FLW is \$25.00 for a family bringing up to five members. For additional family members please add \$5.00 per person. Sign-in/Registration will be Friday afternoon, May 29, from 4:00 - 8:30 pm. For those arriving after 8:30 pm information packets and cottage assignments will be picked up at the front entrance gate. There are a few changes this year to our schedule of activities. Please look over the attached registration form and agenda to select which activities and meals you will participate.

Our focus this year is on Critical Issues in Deaf Education: Transitions from secondary to post-secondary settings. Presentations include information from state agencies providing services and support for students who are deaf or hard of hearing as they transition into college or career settings. Topics such as Self-Determination and Self-Advocacy will be included as well as where to locate and how to secure Interpreters, Transcription or Cart services, Vocational Rehabilitation and much more. Learning skills for successful transitions begin early and applies to all ages.

Please return the enclosed registration form with your registration fee by May 1, 2015. For those needing lodging, cottage availability is limited so please turn in your forms as quickly as possible. Checks or money orders should be made payable to: PTCA of TSD. If you have questions, please call 865.579.2507 or email pwagner1@tsd.k12.tn.us. Return registration by mail to:
