

#SignUsUp

In celebration of our 90th birthday coming in 2017, we're asking you to create a

New Sign Name for “Bridges!”

For our 90th birthday, we're ready to welcome a new sign name that better represents the Bridges community.

Simply create a short video with your sign and tell us why it fits us. Then post it to your Facebook, Twitter, or Instagram page with the hashtag #SignUsUp.

All videos must be posted by September 22, 2016. We'll choose three favorites and announce the finalists at our first #IdeaExchange on September 28 (and on social media). Then it's up to you to vote for your favorite through November 30!

**We'll announce the winner—and our new sign name—in early 2017,
our 90th birthday year!**

(Not on social media? Send videos to info@bridgesfordeafandhh.org.

Need help with the video? We're happy to film you!)
