

NASHVILLE DISTRICT OF TRID PRESENTS:

TERPS AT THE TABLE

6:00 P.M. ~ Community Room at Bridges

It's time to get together and get to know your community! Come and join us for a night full of tacos, tea and laughs. This is a great opportunity for the vets to introduce themselves to our new members and share stories. If you are new to the area or to the profession, this is a great time to show your face and find the support that TRID is so great at providing.

Hope to see you all there!
