Mileage Reimbursement: Mileage reimbursement charged at prevailing IRS rate, currently \$0.55 per mile. If the one-way travel exceeds 60 miles, travel time may be charged. For VRS and Onsite, do we have interpreters that are specially trained to work with children? VRS: Many of the country's top children's hospitals have selected LL as their exclusive video provider. Our medical interpreters are experienced at working in pediatric settings. Onsite - We routinely work with government agencies across the country which would have to build their capacity to work with children (e.g., Child Protective Services, Behavioral Health, school systems...) and staff assignments with interpreters experienced and qualified to interpret in these settings. For Onsite, what type of PPE and other protection is required of our interpreters on all visits? PPE: Interpreters adhere to CDC and local guidelines including being masked and adequate social distancing. We rely on clients to provide specific PPE for interpreters for high risk environments as they do for their own staff.
